

NETBALL
NEW ZEALAND

Expressions of Interest

National Selector

Expressions of interest are now being called a selector to join the National Selection Panel for a 2 year period, starting May 6th 2018. NNZ is seeking a selector in the following role and zone:

- One National Selector based in the Central Zone.

This is a key role in the NNZ High Performance structure and the successful applicant will be responsible for working with the National Selection Panel in the selection of the appropriate national squads. For more information please refer to the position description.

The role will require a commitment from the applicant to attend various netball events and tournaments NZ wide, as required plus selection meetings and training camps at designated times. Key dates include but are not limited to; Squad and Team Trials, ANZ Premiership games and National League games, and National Squad fixtures. You will also be required to provide player profiles and observational feedback on players, plus trends that are presenting across competitions or year, maintain selectors documents on a regular basis and meet deadlines.

Playing and/or coaching experience at an elite or high level is preferred, as is knowledge and experience of selection processes. Ability to identify players with potential is essential as is the ability to complete detailed player analysis profiles.

If you believe you have the right attributes, knowledge and experience to add value to the NNZ High Performance Programme, please send a cover letter and curriculum vitae to:

Sammie Gordon
High Performance Administrator
Email: sammieg@netballnz.co.nz

Closing date for applications is Thursday 9th of May
