

General Manager

Papakura Netball Centre, based at Pulman Park and providing Netball to some 1900 regular participants with a 20 court complex and support facilities, seeks a General Manager to take leadership and management of this major operation.

Reporting to the Board of Directors, Papakura Netball are looking for someone who has a passion to impact and the skills to execute.

This includes but is not limited to, financial performance, growth strategies, market development, human resources and health and safety.

You will possess strong business acumen and you will have an eagerness to learn and be willing to "get amongst it all" to drive further success through growth and expansion.

The role will require a talented individual who has the flexibility to move across the levels of the organisation to achieve success. It is a hands-on role and presents a great opportunity for a leader with vision and a strong desire to positively impact the immediate and wider community.

To be considered for this role you will

- Have a demonstrable record of achievement

- Possess exceptional people skills

- Be experienced at leading and initiating projects

- Have strong stakeholder and management experience

The Board encourages anyone with the passion and skills to submit their interest. This is a great opportunity to make a difference to the community.

A competitive salary package will be offered to the chosen candidate. A detailed Position Description is available on request.
