Key Objectives

Providing opportunities and pathways for everyone

Ensuring the sustainability of the Centre

Provide growth opportunities for our people so we are the Centre of Choice

Working with our community to grow participation and support the game

What we need to do to delivery these objectives

- Support and promote new formats of the game to a wide reach of participants
- Providing opportunities and pathways for everyone to excel
- Develop a succession plan in all elements of the game

- Diversifying and creating new revenue streams
- Digitilisation – keeping abreast of technology changes
- Implementation of the Incorporated Society Act changes
- Keeping netball affordable

- Providing readily accessible feedback loops
- Creating an environment of learning where everyone feels safe and has fun
- Everyone has a voice

- Being clear about who our community is
- Identifying what our community wants, and what our role is
- Provide the right information in a timely manner
- Show support to our community
