He mihi mahana tenei ki a koutou katoa.

Welcome everyone to Ōtautahi Christchurch for the Celebration Box 2022 Netball New Zealand U18 Champs.

This year there are 38 teams from around the country competing in the Champs. Meaning there will be over 380 people living and breathing the game we love as players, coaches, managers, volunteers, umpires and supporters for 4 days. It is just a small example of the reach that netball has into our communities around the country and around the world.

No doubt you are all excited about taking the court and wearing your team colours with pride. It is a wonderful achievement to be selected to represent your centre. This week is a great opportunity to build relationships within your team as you work together towards your goal. But it is also an opportunity to meet new people that share a common interest and passion for netball. Who knows who you might meet or play against!

Our domestic events are a critical step on the high-performance pathway, and a nurturing ground for future representatives for the National Netball league and the ANZ Premiership.

Netball New Zealand is grateful to Christchurch Netball Centre for hosting the Celebration Box Netball NZ U18 Champs and we thank the many volunteers who are essential to the smooth running of an event of this size.

To all the players, I wish you all the best for all your games, and hope that you can achieve the goals you have set as an individual and as a team for the week.

To the team management and umpires, thank you for volunteering your time to support this event, it would not be possible without you.

To the many spectators and loved ones who are supporting their teams – our thanks to you as well.

Wishing everyone a successful event.

Ngā mihi aroha,
Carole Maddix
President
Netball New Zealand

Nau mai haere mai

On behalf of the Christchurch Netball Centre we would like to welcome you all to the 2022 Celebration Box Netball New Zealand U18 Championships.

We are delighted to be given this opportunity to showcase our city and our centre in hosting this outstanding display of our young and upcoming talent in Netball.

Our volunteers look forward to meeting you all and hearing your netball stories and experiences and wish everyone an enjoyable stay in the garden city.

We are grateful for the dedication and passion of all the volunteers involved in this tournament – we couldn't do it without you all.

Travel safely, have fun and make this a tournament we will all be proud of.

We would like to share this Whakatauki

Ehara taku toa, he takitahi, he toa takitini

My success should not be bestowed on me alone, as it was not individual success but success of a collective

Ngā mihi nui,
Megan McLay

Teams at the Celebration Box Netball New Zealand U18 Champs will play for the Margaret Forsyth Cup in memory of a Silver Fern great.

The Waikato shooter first made the headlines when gaining Silver Ferns selection in 1979, as a 17-year-old seventh former at Hillcrest High School, for netball's fourth world tournament in Trinidad & Tobago. The Silver Ferns finished in a three-way tie for top honours with the hosts and Australia.

She remains the youngest Silver Fern #66 to play

at a Netball World Cup, while being just one of three Silver Ferns to win two world titles. These records were set over 40 years ago.

Of Ngāti Kahungunu ki Wairoa descent, Margaret embodied the values of being a key figure as a role model for young women, especially young Māori women.

For a player who achieved so much from a young age, it is a fitting tribute to the late Forsyth as well as providing a shining example for those who follow. Initially making her mark as a teenager, the dynamic and athletic shooter left an inspiring legacy following a dominant nine-year Silver Ferns career.

The Celebration Box Netball New Zealand U18 Champs are owned and held by Netball New Zealand and shall be conducted in accordance with these Rules and reference to other relevant policies and procedures, which include but are not limited to; NNZ Competition Regulations, The Celebration Box Netball New Zealand U18 Champs Event Guidelines, the International Rules of Netball and WN Regulations.

RULES

1. The Netball New Zealand U18 Champs will be conducted in accordance with the NNZ Competition Regulations with reference to the Policies and Procedures as contained in the Netball New Zealand U18 Champs Event Guidelines and other NNZ Event Policies and Procedures.
2. Entries for the Netball New Zealand U18 Champs shall be accepted from Netball Centres. Players must be female and under the age of 18, midnight on the first day of January in the year of the event as this applies to the team of which the player is a member.
3. Players participating in the Netball New Zealand U18 Champs must be members of Netball New Zealand and eligible for the Centre they are representing at the Championships in accordance with NNZ Membership & Registration Regulations.
4. Netball New Zealand reserves the right to accept entries from parties other than Netball Centres in New Zealand.
5. The Centre shall be responsible to ensure that all players selected for the Centre are eligible. Proof of date of birth (Birth Certificate, Passport) and/or eligibility may be requested by NNZ.
6. Players can only play in two of the three Netball New Zealand Domestic Events (Under 18 Champs, Open Champs and NZ Secondary School Champs) in a calendar year.
7. Netball New Zealand shall circulate all Team Lists to each Zone/Centre no less than two weeks prior to the commencement of the championships. Any eligibility issues regarding players listed on these team lists must be raised one week prior to the commencement of the championships. For any players added subsequently eligibility issues must be raised following the distribution of updated team lists the night before the commencement of the championship.
8. Any team found to be in breach of the NNZ Membership & Registration Regulations will forfeit the game(s), in which that player(s) participated and will lose any corresponding championship points.
9. Where multiple teams are entered from one Centre the teams must be ranked with team 1 being the strongest, team 2 the second and team 3 the least etc.
10. Each team shall be under the control of a Coach and Manager or combination thereof.

RULES

11. Each team shall identify a Primary Care person on the team list. Only this person will be permitted onto the court in the event of a stoppage to attend to on court player/s. Each team shall be issued with an armband prior to each game which the Primary Care person must wear in order to be permitted access to the court.
12. Each team must register a minimum of ten players and a maximum of twelve players on the Team Registration form.
13. All games shall be played in accordance with WN rules, unless otherwise stated in these rules and/or the Netball NZ U18 Event Policies and Procedures.
14. Games will consist of four (4) periods of ten (10) minutes with intervals of three (3) minutes between the 1st and 2nd, 2nd and 3rd, and 3rd and 4th periods.
15. Players on court may ask the Umpire for a stoppage without the reasons of injury/illness or blood being required. All other procedures around the stoppage are conducted as per current International Rules.
16. All games shall be played with netballs supplied by NNZ.
17. The umpires for all games shall be appointed by Netball New Zealand.
18. Each team will be responsible for providing one person for the timing and scoring of their games. The Umpires will be responsible for taking the clocks and scorecards to the court and returning them to the game office at the completion of each game.
19. A Team Registration form and player profile forms shall be submitted to Netball New Zealand no later than the date as determined by Netball New Zealand, by each team entered.
20. The Team Registration form and individual player profile forms shall detail the full name, date of birth and playing position(s) of each player, and any other information requested by Netball New Zealand.
21. Each player listed shall endorse her consent to team registration by providing the information for the player profile form.
22. For the duration of the Netball NZ U18 Champs, teams shall use only those players named on the final team list signed off on the evening prior to the commencement of the championship. If a player not named on this form plays in a game, the team concerned shall forfeit the game unless the replacement of a player on the registered team sheet has been approved by Netball New Zealand prior to the game concerned.

23. Once Netball NZ U18 Champs play has commenced the list of registered players of any team may be altered only if, in the opinion of a medical practitioner, a player(s) is (are) deemed to be incapable of further participation in the Netball NZ U18 Champs. In such a case, additional eligible player(s) may be registered provided that at no time the total number exceeds twelve (12).
24. Teams are able to replace an injured or ill player with a player from their Centre's lower ranked team at the event (see rule 23). This player will then become a member of this team and will no longer be eligible to play for their original team. Teams are not able to replace players with someone from a higher ranked team. The lower ranked team is then permitted to add a new player to their team to replace the one that moved up to the higher ranked team.
25. Evidence of a player's eligibility as a replacement registration may be requested by NNZ as detailed in rules 3 and 5.
26. Each team shall play in the registered uniform of the Centre.
27. All players shall be identified through names on their playing uniform or numbers on their uniform or body.
28. If alternative bibs are required for identification purposes the teams shall toss to decide who shall wear them.
29. No less than 30 minutes before a match commences, a team official must submit as directed by tournament officials, a Team List. This will list all players taking the court, to commence the game, all substitute players and team officials.
30. Only those players and team officials named on the Team List may participate in that game and be in the team bench area. No other personnel are allowed to sit in or on the team bench area throughout the game. For the avoidance of doubt this includes spectators and parents.
31. No alterations or additions may be made to the Team List within 30 minutes of the scheduled commencement time, except in the event of any injury/illness in the 30 minutes prior to the start of the game; a change in playing position(s) may be permitted if in the opinion of a medical practitioner the player is deemed to be incapable of commencing and/or participating in that game. In such a case, NNZ officials are to be notified immediately and subsequently the teams and officials will be notified.
32. Teams are required to complete all games as specified in the draw format – failure to do so may result in the forfeiture of points or rankings.

33. Teams shall not be required to play more than two games on any day, except in the event:
- That a fair draw cannot be completed within the Netball NZ U18 Champs; or
 - That a protest is upheld. The Netball NZ U18 Event Committee may then require an additional game to be played. Consideration shall be given to scheduling this game at a time, which allows appropriate recovery time for the teams concerned.
34. To avoid confusion team placement for each game will be allocated on the following basis:
- Team 1 on the draw will take the area to the RIGHT of the score desk as it faces out on to the playing court.
 - Team 2 on the draw will take the area to the LEFT of the score desk as it faces out on to the playing court.
35. During section or pool play points will be awarded as follows:
- 4 points Win
 - 2 points Draw
 - 1 point Loss of 3 goals or less
 - 0 points Loss by more than 3 goals
36. In the event of a tie on points at the end of pool rounds, the result of the game between the two teams decides the winner. However;
- If the two teams drew their match, or if more than two teams have the same number of points at the end of the pool rounds, goal average of the pool games will decide the placing (i.e. goals for divided by goals against).
 - If goal average is identical, then goal difference will be applied (i.e. the difference between goals for and goals against).|
 - In the event of a further tie, the team scoring the most goals will be declared the winner.
37. In the playoff and/or final rounds of the Championships, no draws are permitted. Such games shall be identified on the draw. In the event that the score is level at full-time there will be;
- A one (1) minute interval at the end of full-time where substitutions and/or team changes can be made. All other stoppage provisions apply during the entire duration of Extra Time.
 - Extra time of two (2) x three (3) minute halves each way will be played.
 - Teams will have a one (1) minute interval between halves.
 - Teams change ends between halves and the game is restarted by the team entitled to the next centre pass.
 - At the end of the second period/half of extra time the end of play shall be indicated through audible signal. Play shall be held while the score is confirmed. If the two teams remain tied then play shall resume from the point where it was when the end of the second period/half was signaled, with the ball and possession commenced as it was when the second period of extra time ended.
