

TACTIX – Event Manager

Fixed Term Contract

Part-time (January – August 2025)

- To support the General Manager in the delivery of planning and execution of a high quality event programme servicing the team, fans, partners and stakeholders.
- To support the Team in the implementation of the Tactix 2025 campaign
- To contribute to the success of the Tactix both on and off the court

The Tactix compete in one of the world's most highly contested netball competitions, the ANZ Premiership, where we proudly represent the Mainland netball region.

The Tactix are seeking to appoint an Event Manager to assist and support the General Manager in planning, implementing, and leading the Tactix event operations for 2025. This will entail cohesive support and management with the General Manager and Team, ultimately resulting in a successful campaign.

The successful applicant will have sound event management experience ideally within a sporting or aligned high-performance commercially driven environment. They will have strong people management and interpersonal skills that generate mutual respect and trust and can communicate strategies, inspire, and ensure 'buy in' from workforce, community and wider team.

Applicants should be self-motivated, action oriented, dynamic, and agile and be empathetic to the challenges of high-performance event environments. The successful applicant will have real strength of character and will actively seek to continuously improve themselves and the environment that they work in.

This position is a part-time (up to 30 hours per week excluding matches) fixed term appointment recruited in partnership with Netball New Zealand as there will be interaction and engagement with both organisations.
