NETBALL
NEW ZEALAND
POI TARAWHITI AOTEAROA

Welcome to Pulman Arena in Papakura for the NetballSmart Netball NZ Open Champs 2024. Like most national events, the success is hugely reliant on the generosity of others. Netball events are no different. Volunteers, sponsors the teams behind the team – the coaches, managers, support staff, umpires, statisticians, and bench officials, not forgetting spectators and whānau support are imperative and provide a significant contribution to the game. Added to this mix are the valuable leadership qualities highlighted at regional and centre levels who transform cities and towns into national Netball HUBs leaving no stone unturned in preparations, so the event runs smoothly, efficiently, and is fit for purpose.

It is on that note that Netball New Zealand wishes to acknowledge the Papakura Netball Centre team for hosting the 2024 NetballSmart Netball NZ Open Champs and is grateful and appreciative of the energy and effort put into this important annual netball event by them all. The five days of quality Netball put on display will illuminate the best Open teams from Centres from around the country. It is also a platform in which to raise the profile of this beautiful city and to share its unique features with manuhiri - visitors.

In closing, domestic events such as the Open are a crucial step on the high-performance netball pathway. It is where future representatives are identified and their dreams to transition to other competitions such as the Synergy Hair Netball League, ANZ Premiership and onto the pinnacle stage and into the black dress – Silver Ferns honours are realised. With that, on behalf of NNZ and our team we wish everyone a successful event.

NEW ZEALAND CUP

Winner

First presented in 1926 by an anonymous donor, later established as Mrs R. S. McInnes, first President of the New Zealand Basketball Association, for winners of the NZ Tournament. When the tournament is divided into grades, the New Zealand Cup is competed for by First Grade teams.

ANNIE BROWN CUP

Runner-up

In 1929 it was donated by Mrs W. Brown, then President of Canterbury Association, for runners-up at NZ Tournament. It is now the trophy for runners-up in the First Grade. Mrs Brown was active in basketball/netball for many years and was affectionately known as 'Auntie' Brown throughout the country.

LADY JUNE BLUNDELL SILVER SALVER

For highest number of goals scored

In 1977 it was presented to N.Z.N.A by Lady June Blundell on her retirement as Patroness to be awarded to the team with the highest number of goals scored.

VIOLET GILMOUR TROPHY

For lowest goals scored against

In 1948 a rosebowl was presented by the Mayor of New Plymouth, Mr E. Gilmour, in the name of his wife, to be awarded to the team, irrespective of grade, with the lowest average of goals scored against during a NZ Tournament.

GISBORNE CUP

For standard of playing uniform

In 1956 the Mayor of Gisborne, Mr H. H. Barker, was so impressed with the appearance of the teams in the Street Parade held prior to Tournament in Gisborne that he asked permission to donate a trophy. This cup is awarded for neatness and uniformity of team uniforms and general demeanour.
